INNITOU

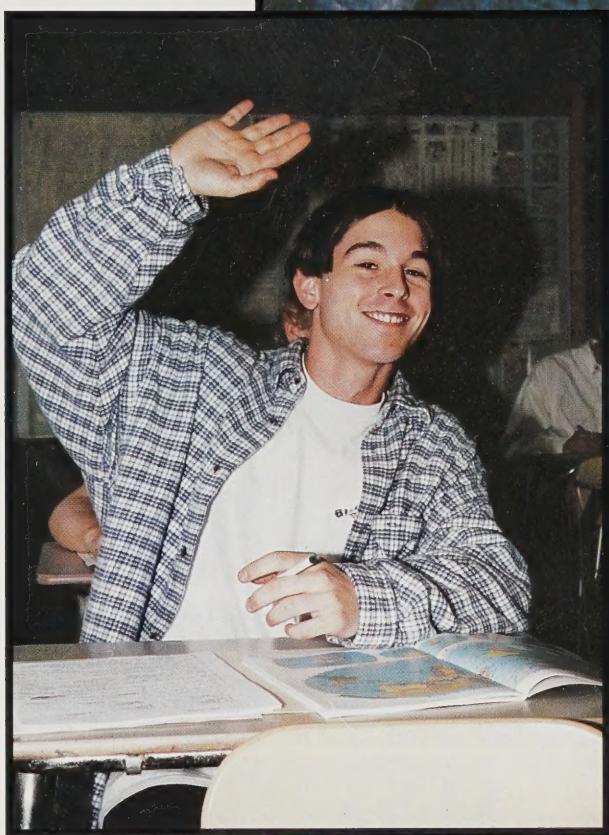

WOBURN HIGH  
SCHOOL

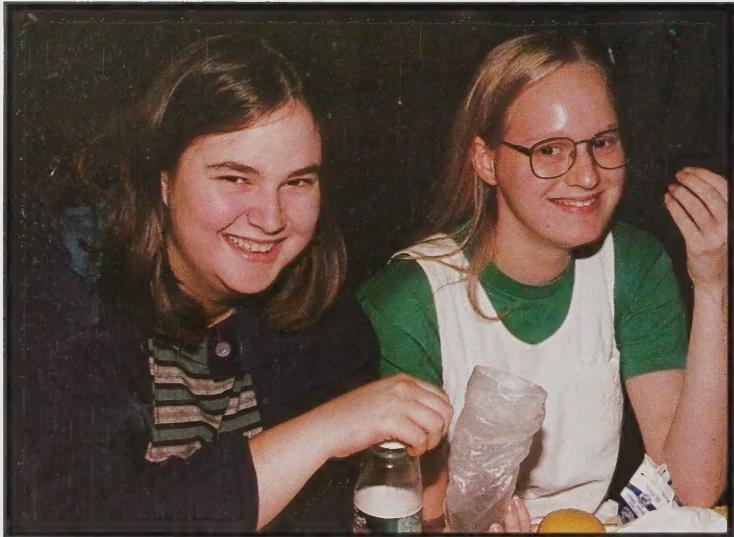

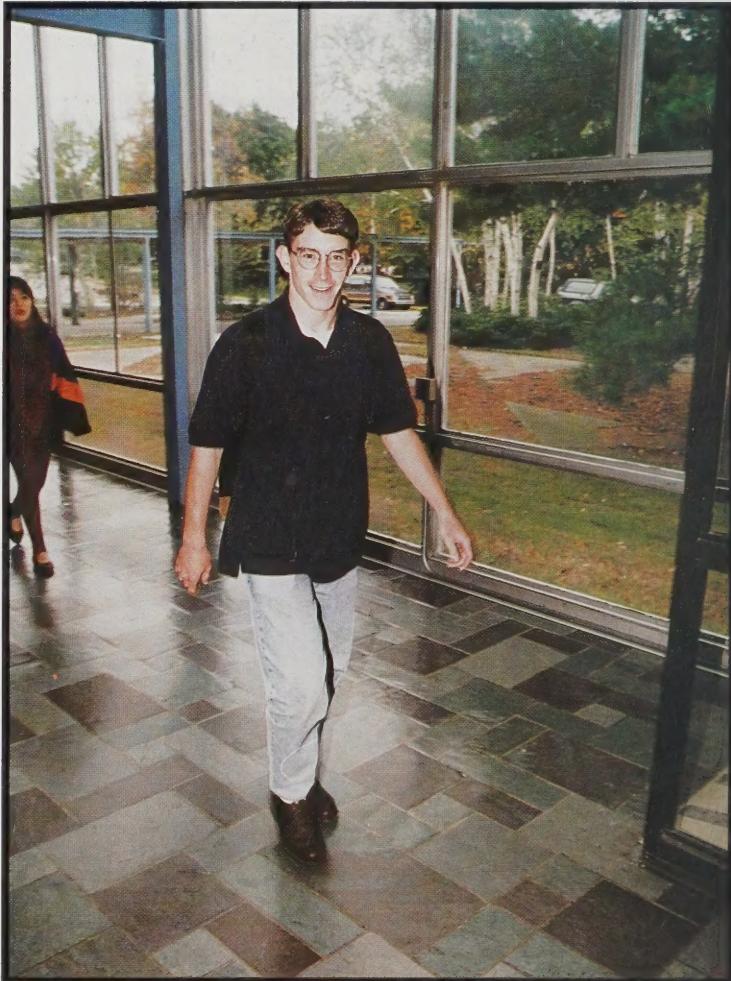

WOBURN, MASSACHUSETTS

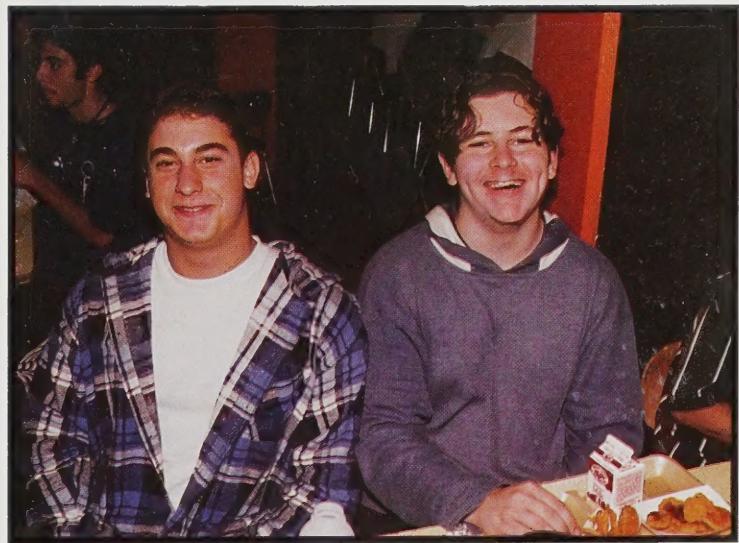

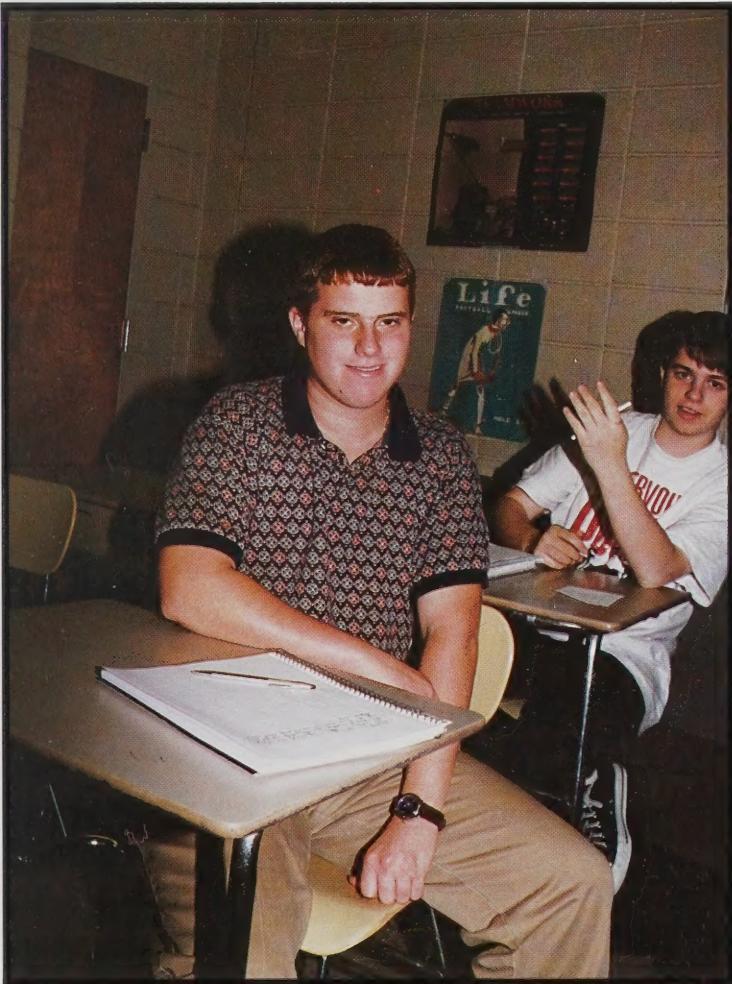

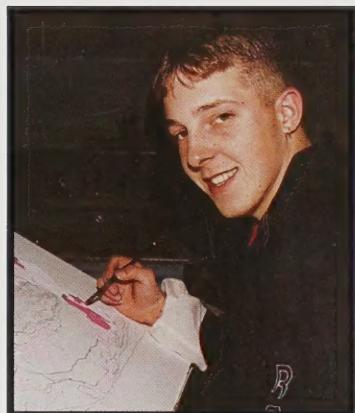

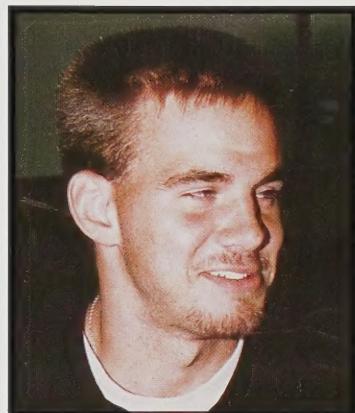

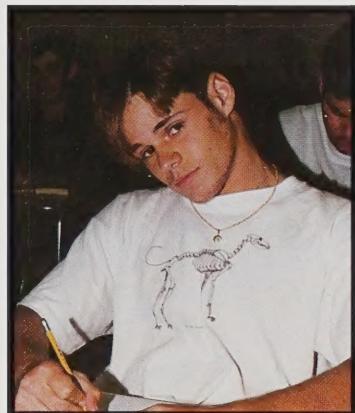

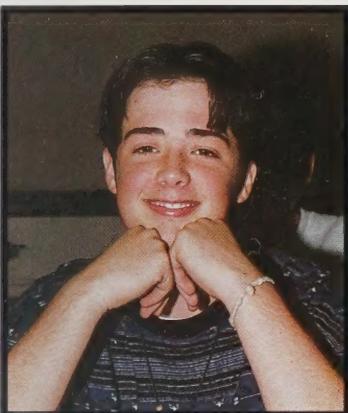

1996

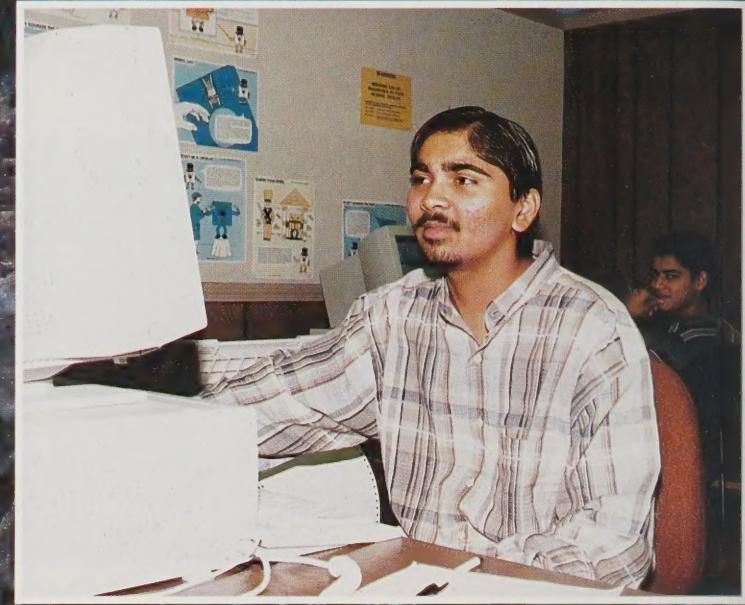

WITH EVERY FACE THERE  
IS A STORY ...  
SOMEONE INVOLVED  
WITH HOMECOMING,  
SPORTING EVENTS OR  
ACTIVITIES THAT CENTERED  
AROUND SCHOOL.  
ACTIVITIES THAT BUILT  
LASTING FRIENDSHIPS,  
STRONG SCHOOL SPIRIT  
AND LIFE-LONG MEMORIES.

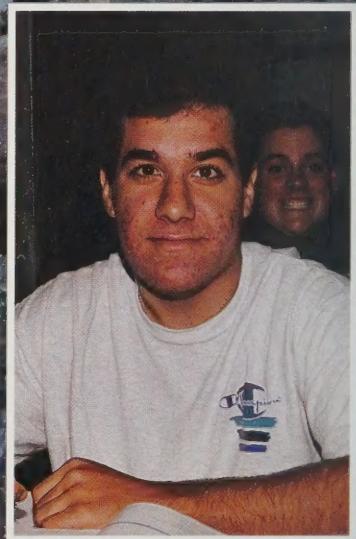

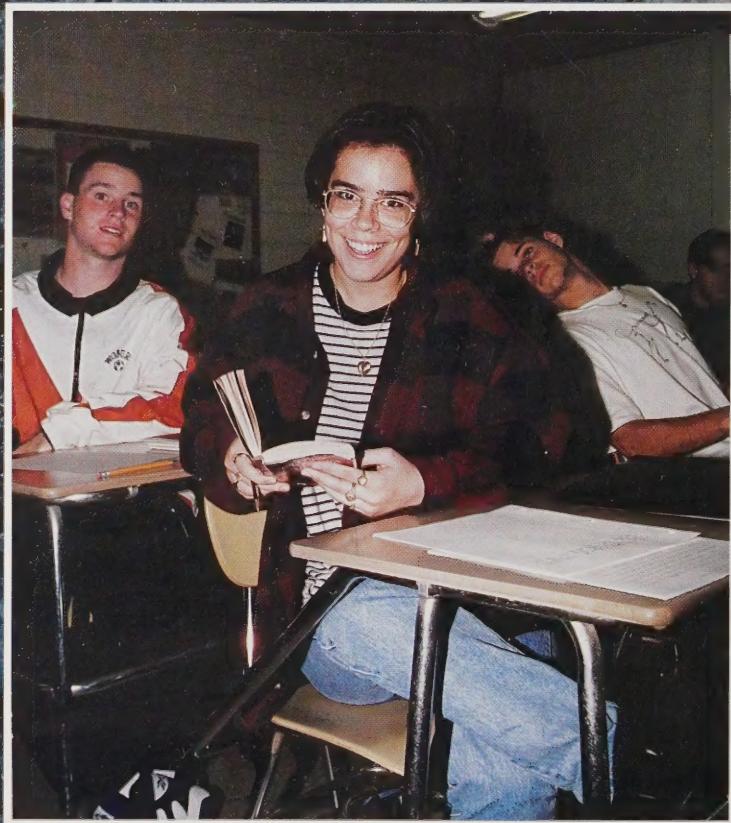

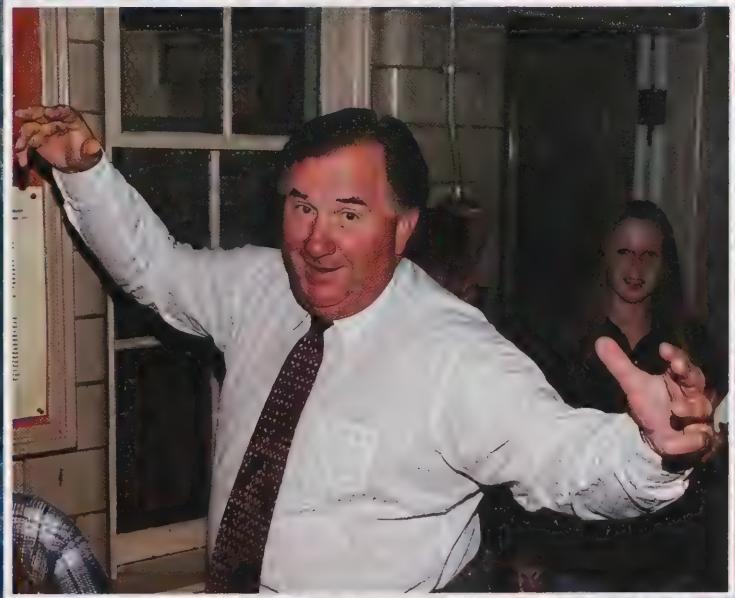

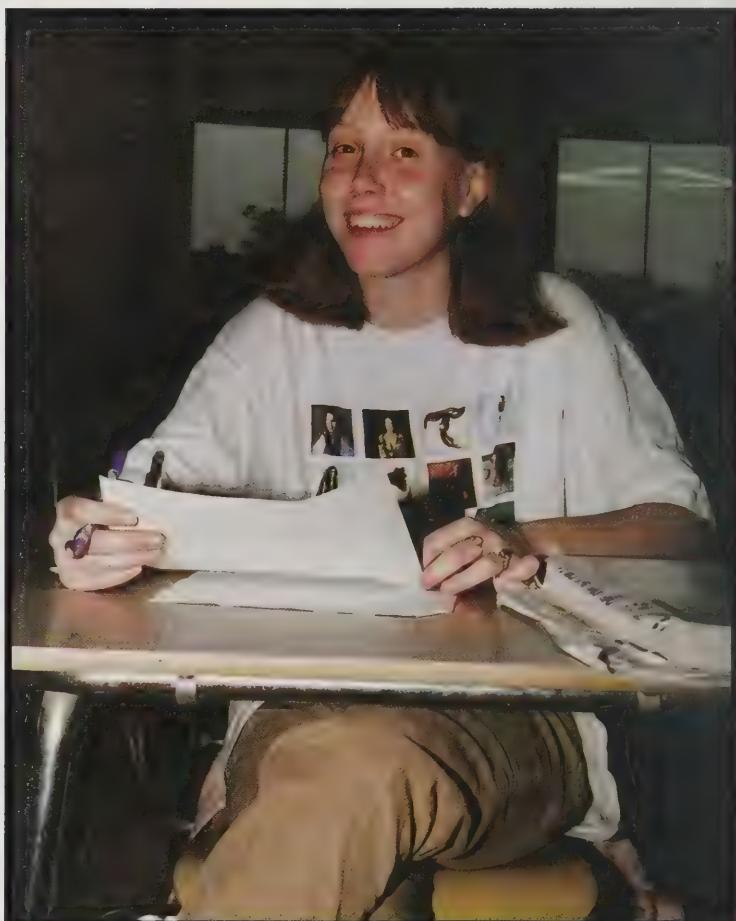

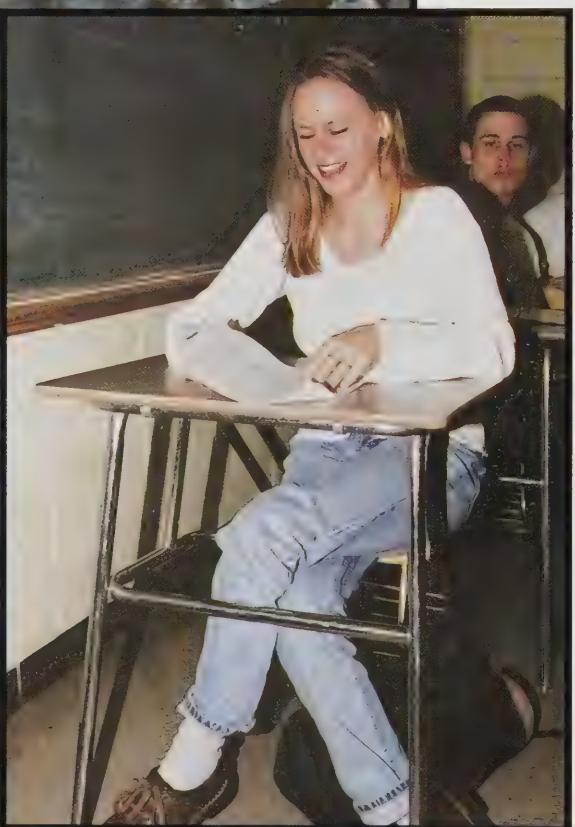

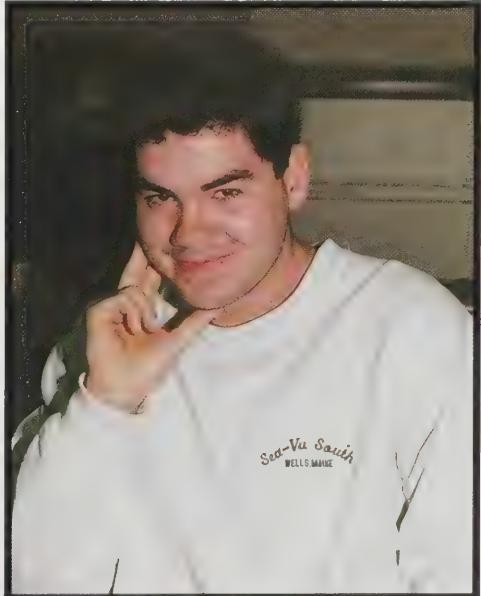

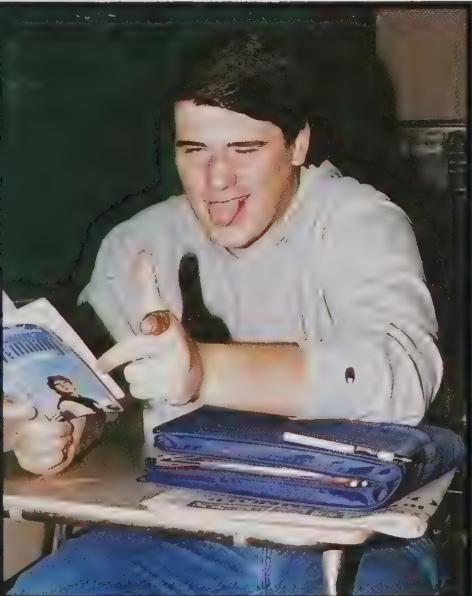

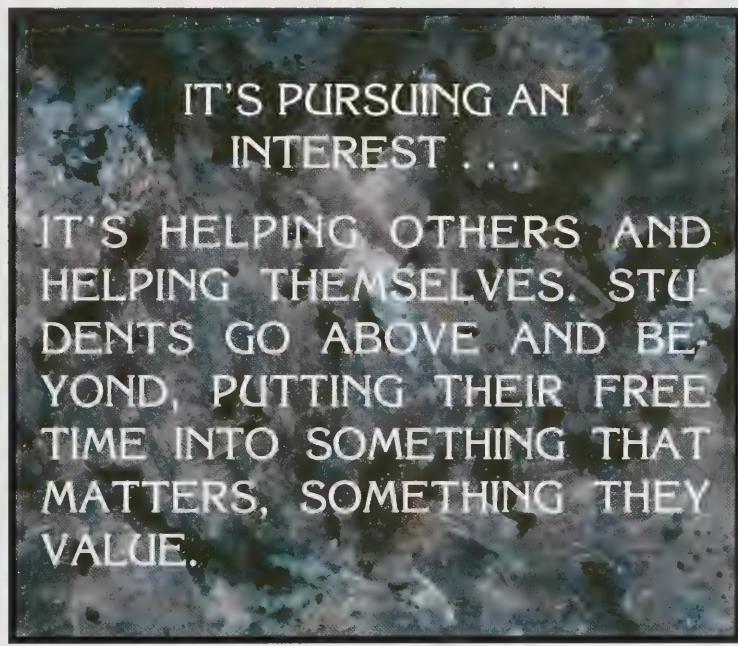

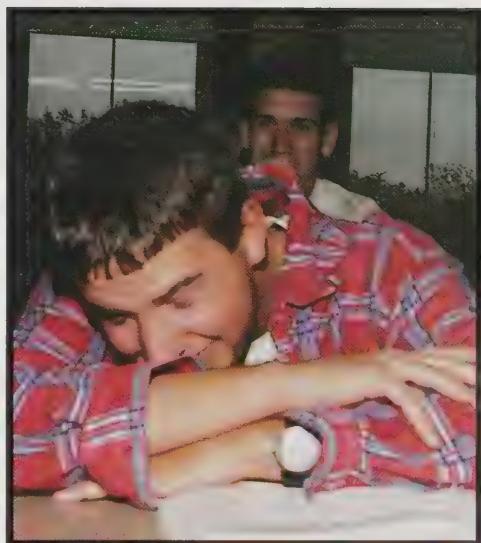

WAIT TEN SECONDS, TAKE A DEEP BREATH AND DIVE IN . . .

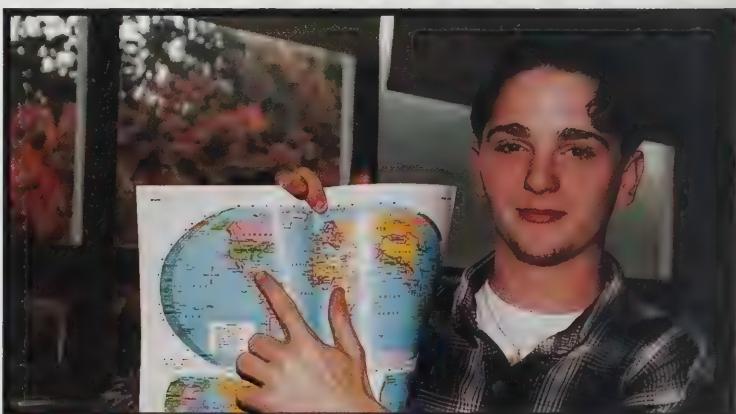

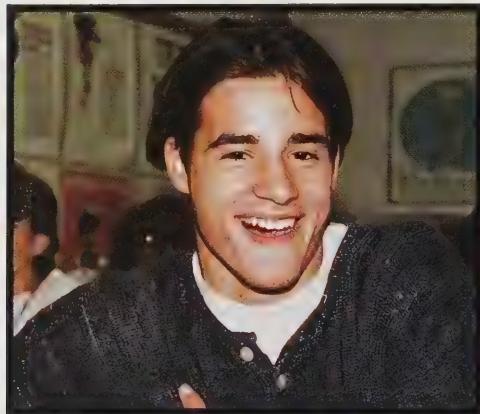

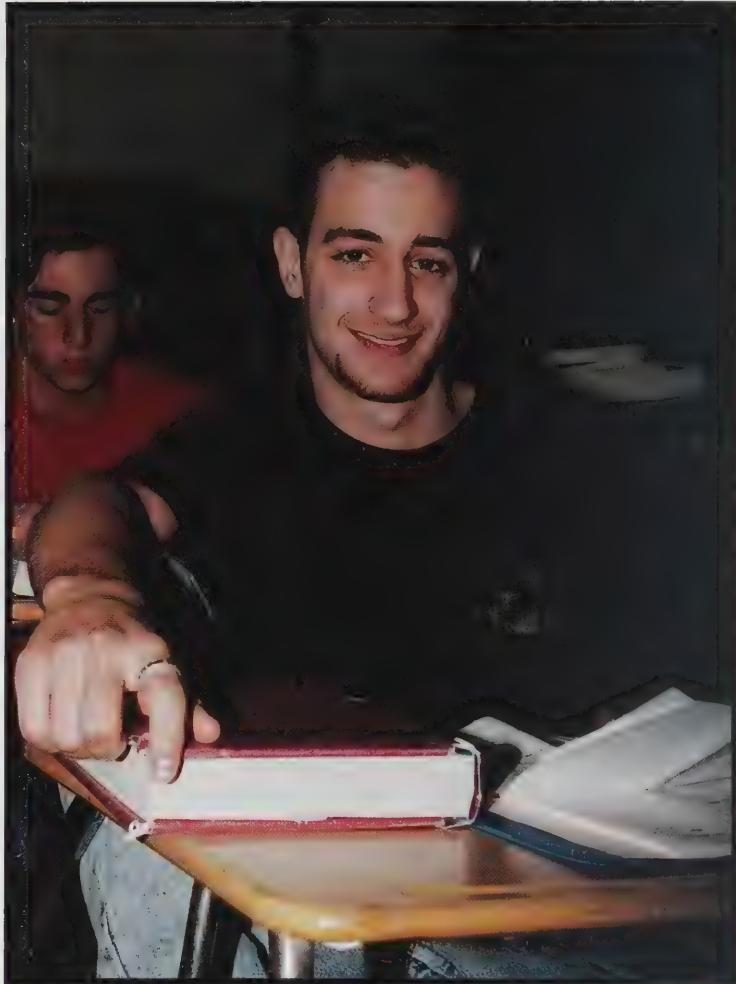

IT'S ABOUT THE FUTURE. IT'S MAKING THE GRADE AND GETTING THE MOST OUT OF SCHOOL. IT'S TEST TAKING, PERFORMING AND STUDYING UNTIL ALL HOURS OF THE NIGHT. IT'S HARD WORK AND PERSEVERANCE.

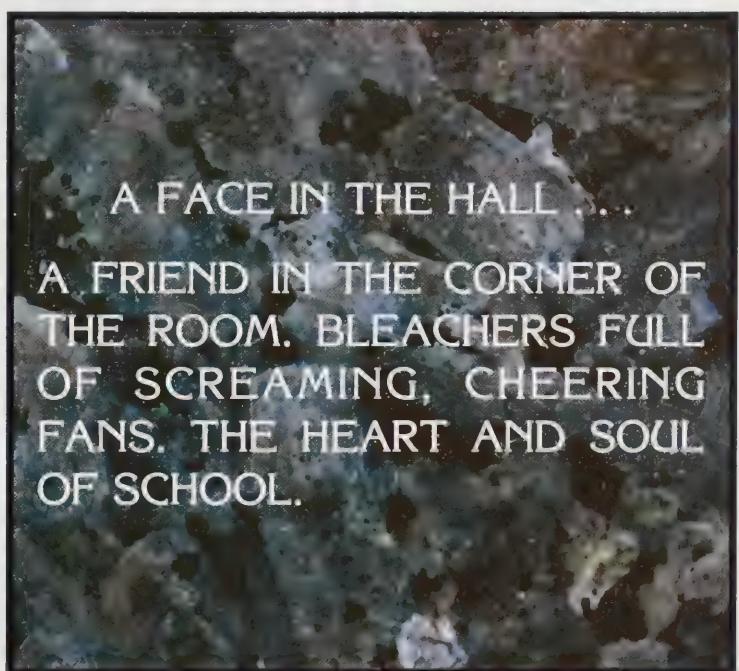

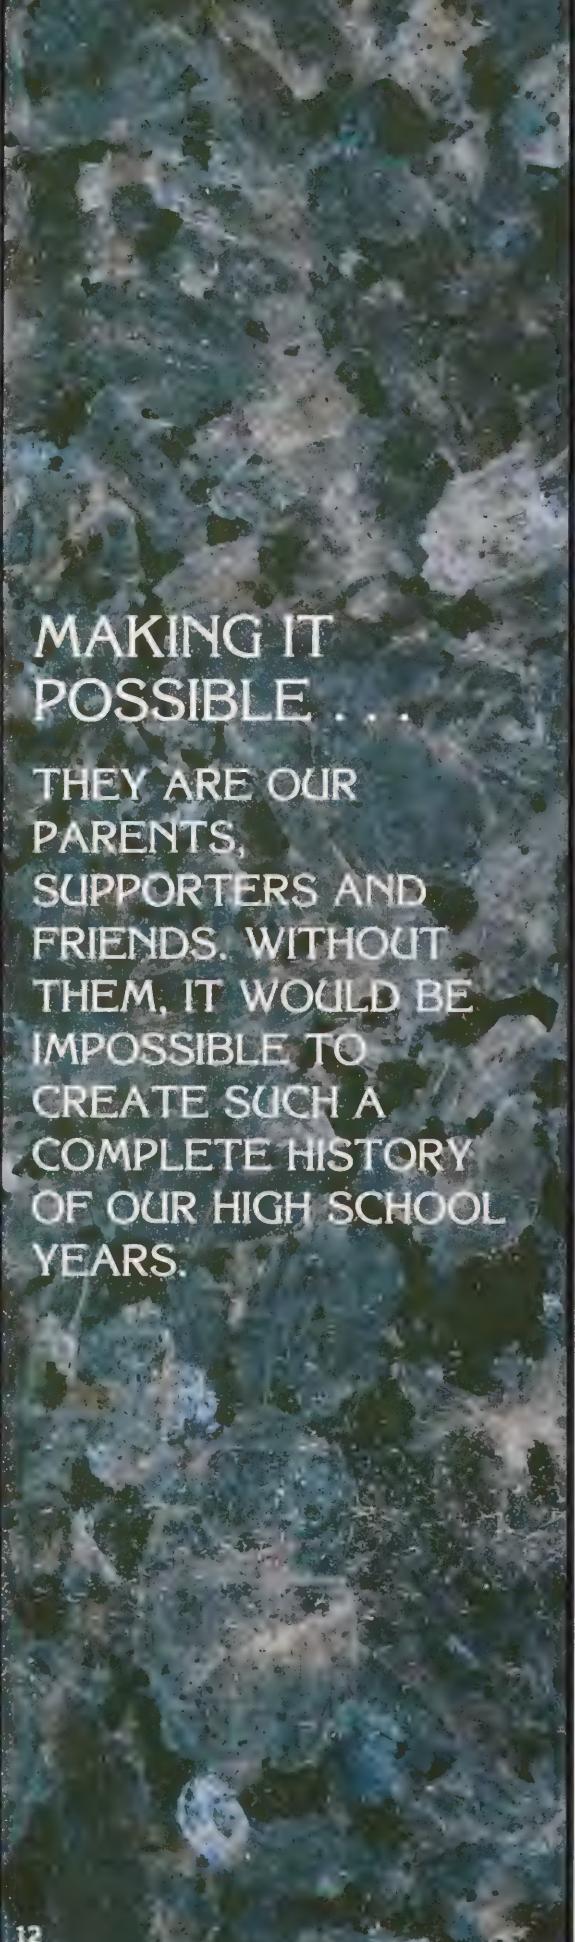

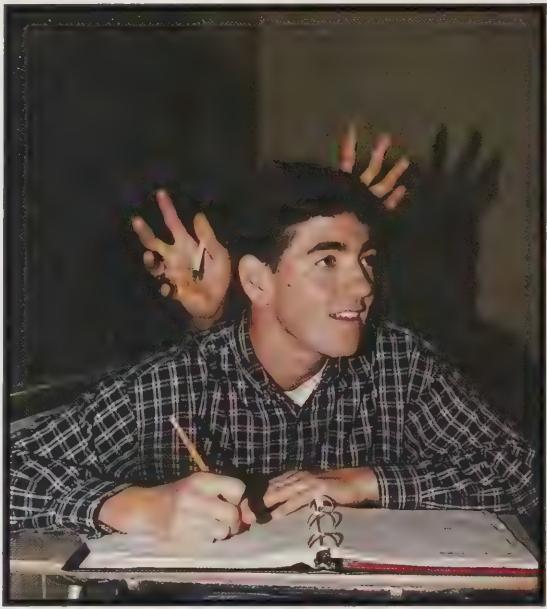

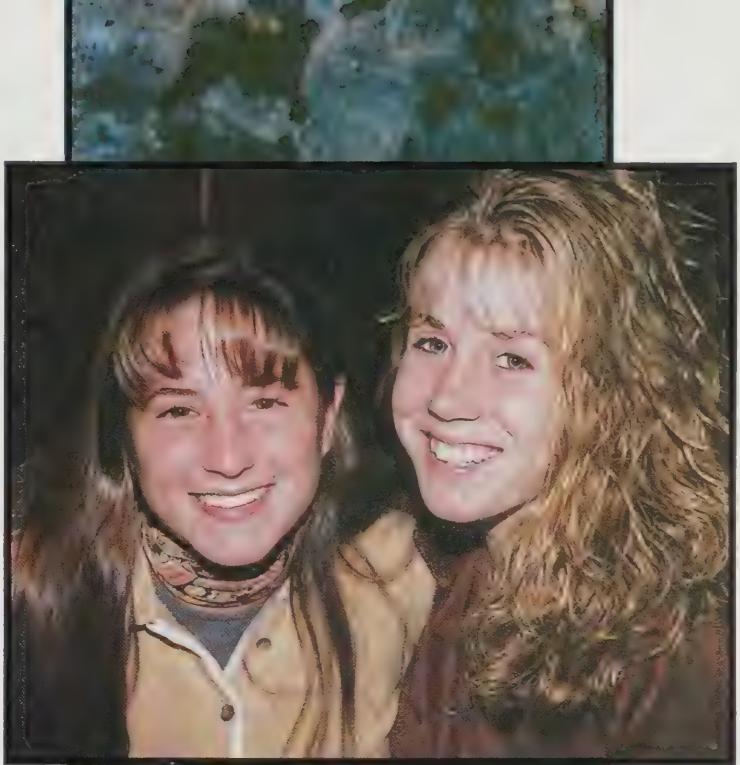

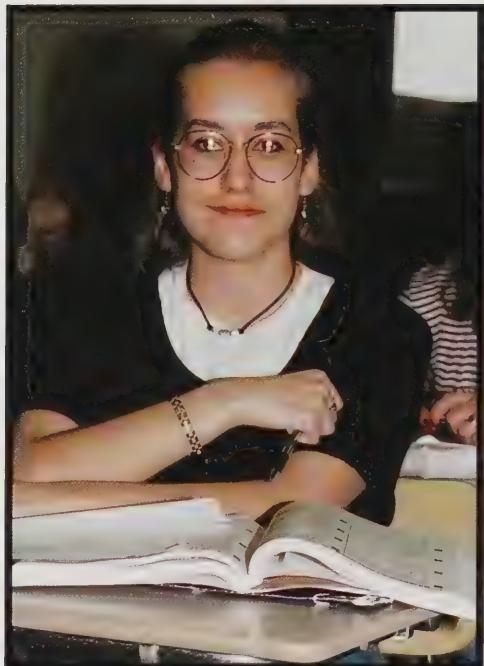

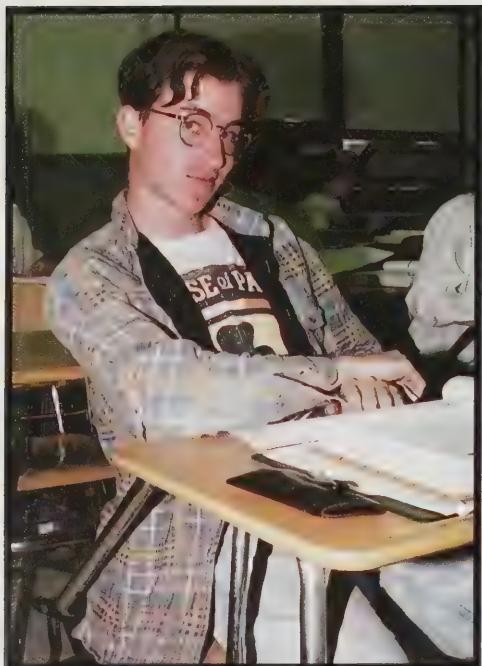

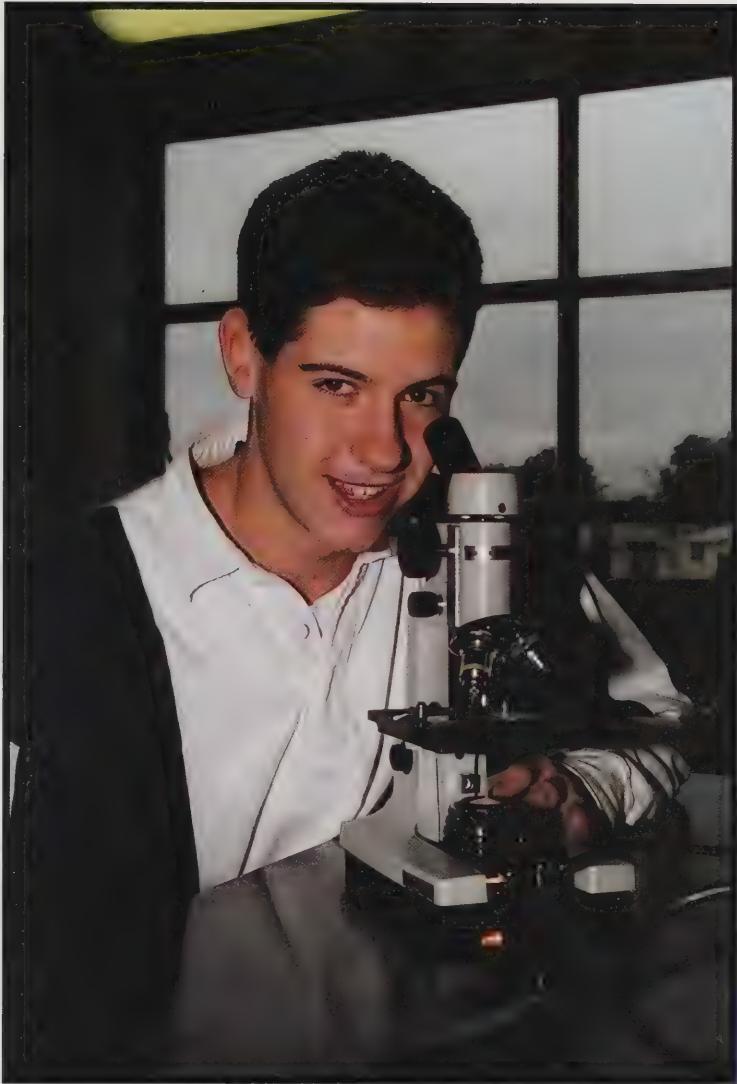

**MAKING IT  
POSSIBLE . . .**

THEY ARE OUR  
PARENTS,  
SUPPORTERS AND  
FRIENDS. WITHOUT  
THEM, IT WOULD BE  
IMPOSSIBLE TO  
CREATE SUCH A  
COMPLETE HISTORY  
OF OUR HIGH SCHOOL  
YEARS.

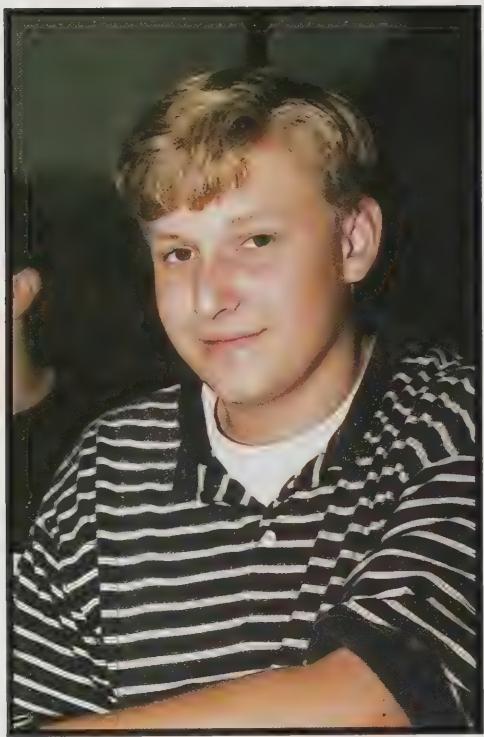

WOBURN HIGH IS RICH  
IN TRADITION. THE  
STUDENTS ARE  
DEDICATED TO THE  
PURSUIT OF  
ACADEMIC  
EXCELLENCE . . .  
ATHLETIC PROWESS  
. . . AND COMMUNITY  
ACTION.

THIS IS WHO WE ARE.

# DEDICATION

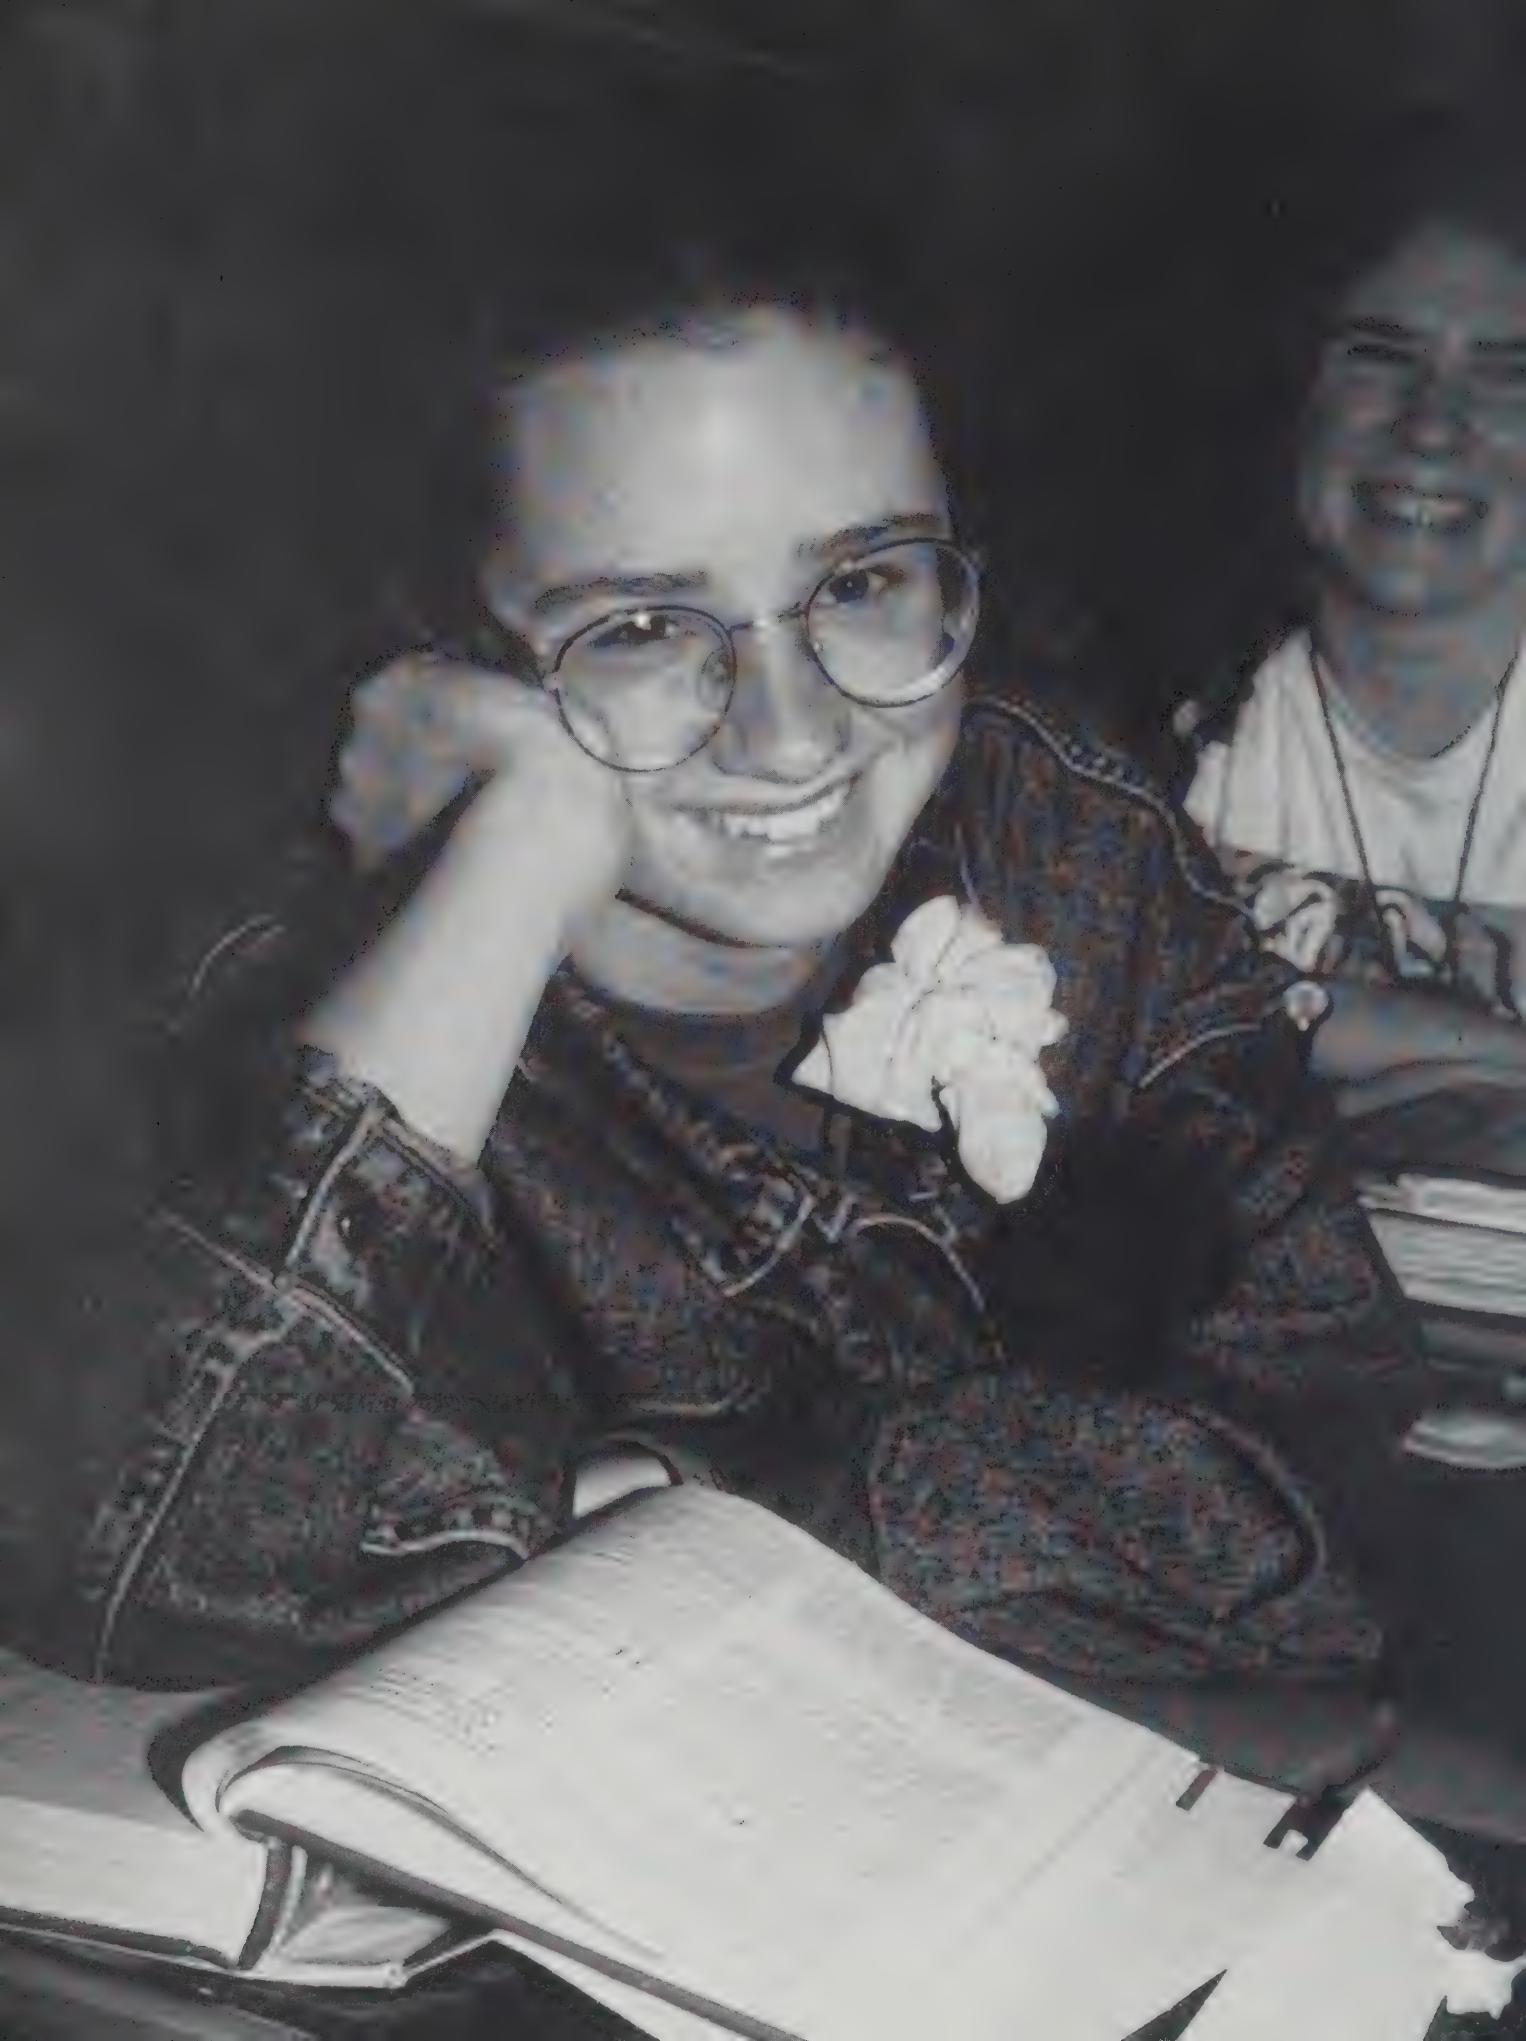

After four years at Woburn High, it is a difficult task to select one deserving person to receive our yearbook dedication. So many have helped us: some only briefly, some for a longer period of time, some academically, some socially, some in other ways. Regardless, our high school experience certainly would not have been as enjoyable, meaningful, and worthwhile without the help of all who have been part of these years.

While giving thanks to all of those involved, we the Class of 1996, wish to single out the person we feel has given the most time, effort, help and personal concern to our class.

We dedicate the 1996 INNITOU to:

**Mr. Harry Wilkinson**

## Senior Year Message

Throughout the conflicts and all of our flights,  
the heart-ache, the pain, and all their crazy nights,  
the good times, the great times, and even the bad,  
all the adventures that together we've had.

### We Did It Together

staying friends throughout the mess,  
was tough to do I must confess;  
but it was worth every second, smile, and tear  
to help get you up and over your fear.

### We Got Through It Together

When life was treating me unfair,  
I knew I could turn and you'd be there,  
waiting to help me and to stand by me,  
the way I hoped and knew you would be.

### We Got Through It Together

I love you guys more than I could possibly say,  
and though next year might be far away,  
I want you to remember, as will I, that in '96.

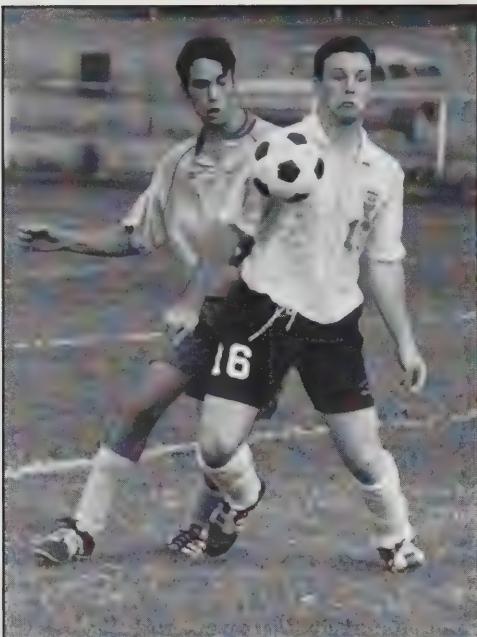

### We Did It Together.

GOOD LUCK EVERYBODY

## Carl R. Batchelder

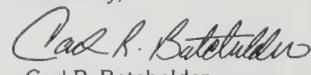

To The Class of 1996,

You are in the midst of a special time in your life. Your plans for the future are becoming a reality, and the years you have spent in Woburn are becoming part of your history. As you look through the pages of memories and accomplishments unfolding before your eyes, you are presenting with a yearbook that is finally and distinctively yours.

The spirit and commitment of this closely-knit place that you call "home" and the hallowed halls of a building that you call "school" have been captured in photographs and commentaries that you should always recall as being Woburn. The pride of this community and the unity that it encourages have played an integral part in helping to develop and shape your growth. Perhaps you will come to truly realize this as you leave this place of your beginnings.

As your Superintendent of Schools, I have been impressed with the opportunities that this city has provided you in order to send you forth to meet the challenges beyond your high school experience. It is my hope that you will reflect upon your years in Woburn with appreciation, pride, and commitment, for these are qualities that have been extended to you from all of us. You deserve my sincerest congratulations and my best wishes for the future.

Sincerely,

  
Carl R. Batchelder  
Superintendent of Schools

## PRINCIPAL

On behalf of the faculty and staff of Woburn High School let me wish all of you the very best. Graduation is more than just the receiving of a diploma, it is a time of passing into the world of adult life.

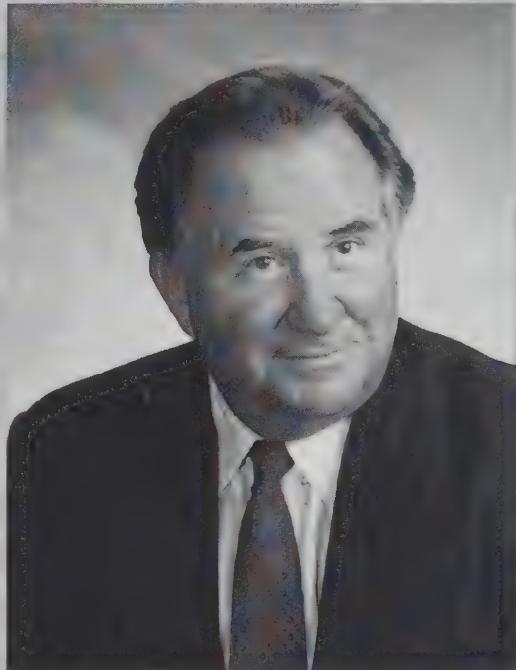

One of the constant themes you have heard over the last four years has been the reminder to be of service; to give of yourself to your friends, neighborhood, or community. Some of you on graduation will receive special recognition for your hours dedicated to others. Some of you have yet to hear the call; that it is by giving to others that we distinguish ourselves.

Twenty-eight years ago the distinguished Henry D. Blake, principal of Woburn High School, said that the future of each of us is bound inexorably with the future of all. He went on to quote John Donne's famous words "No man is an island, entire of itself; every man is a piece of the Continent, a part of the main...I am involved in mankind. And, therefore, never seek to know for whom the bell tolls; it tolls for thee."

May each of you, find some way, however great or small, to make life better for your family, your friends, your community or country. It is in doing so that you'll truly enrich your own life.
